Anne Semonin Experience

Because everyone is unique, every Anne Semonin programme is customized and starts with a personal diagnosis and finding out the areas of concern in your body. Your beauty therapist will create your own beauty prescription, depending on your needs, your time and your lifestyle.

After your spa experience, a simple Anne Semonin regime is carefully prescribed, in which the therapist will recommend how to customize products to create perfect blends for optimum efficiency.

This can then be carried out at home on a daily basis.

The D-Spa menu is categorized into 6 overall sensations. To find your perfect feel good treatment, match your desired sensation with a therapy bearing the same description.

*Soothing & Relaxing · Uplifting & Refreshing · Detoxifying & Purifying ·
Anti Aging & Rejuvenating · Tension Releasing & Invigorating ·
Anti Cellulite & Toning*

All you need to do is pick your mood and then sit back, relax and enjoy.
